About

Second-Year Computer Science Student @ Lassonde School of Engineering | Part-Time Developer

Work Experience

HOSHMAND AFARIN INC

Toronto, Ontario, Canada

Technical Trainee

Apr '25 - Present

- Contributed to a renewable energy and Bitcoin mining startup by supporting infrastructure and software initiatives.
- Assisted in developing the company's internal website using JavaScript, Node.js, HTML, and CSS. Supported setup and monitoring of Linux-based mining infrastructure.
- Collaborated with the team to align development efforts with operational goals.

Volunteer Experience

Forest Manor Public School

25 Forest Manor Rd, North York, ON M2J 1L4, Canada

Office Assistant

Feb '24 - Jul '24

- Served as an Office Assistant at Forest Manor Public School, one of Toronto's largest elementary schools, where I supported the office secretary with phone answering, file organization, labeling, and designing school boards, hallways, posters, and vouchers. My communication skills and initiative earned praise from teachers, the vice-principal, and principal. I played a key role in the school's Fun Fair fundraiser, boosting profits by 25% through my voucher and poster designs, and sold the most tickets, showcasing my marketing and sales abilities.

Georges Vanier Secondary School

3000 Don Mills Rd E, North York, ON M2J 3C8, Canada

Team Leader

Oct '23 - Dec '25

- As the Team Leader of the GVSS Holiday Charity Drive, organized as part of a high school business course and in collaboration with the student council, I led a team to support the Toronto Firefighters Charity. I oversaw all aspects of the project, including marketing, advertising, poster design, and logistics coordination, while also managing lunchtime collections and organizing donations. Under my leadership, we doubled the school's previous donation record, increasing contributions from 250 to 559 items, such as non-perishable food, toys, and hygiene products. I conducted surveys and created charts to track progress, ensuring efficient execution. This experience strengthened my project management, collaboration, and community engagement abilities while contributing to a meaningful cause.

York University

198 York Blvd, North York, ON M3J 1P3, Canada

Peer Tutor

Sep '25 - Present

- Provide academic support to students through one-on-one help and monthly drop-in sessions. Responsibilities include clarifying course concepts, assisting with test preparation, and maintaining session records. Gained experience in communication, leadership, and mentorship while contributing to the student learning community.
